

Evaluation of Birdlip Primary School Physical Education and Sport Premium Funding 2019-2020

DfE Vision Statement

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

5 Key Indicators

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

Funding for Primary School PE and Sports

The current Government has allocated an additional £150 million state funding to all state sector primary teaching establishments for the academic years of 2013 - 2016. It has now been confirmed that the funding will continue for the academic year 2019-2020.

The fundamental aim of this grant aid is to further improve the provision and quality of Physical Education (PE) and Sport provided by all primary schools nationally. The funding is provided jointly by the Departments of Education, Health; Culture Media & Sport and is to be ring fenced thus ensuring that schools spend their grant only upon PE & Sport as well as initiatives that address developing healthy lifestyles in either curricular or extra-curricular settings.

Purpose of funding

It is a mandatory requirement, as authorised by Department of Education (DfE), that all state schools dedicate this funding upon developing their provision of PE and sport, although how they do decide to address this task remains their decision. Birdlip Primary School has committed itself to following the statutory guidance as provided by DfE and Ofsted. Evidence of our school's pledge to enhancing staff professional development can be determined through the PE CPD training programme which benefits all members of the teaching staff.

Accountability

From September 2013, responsibility for the effective spend and impact of the grant aid rests with every state primary sector teaching establishment. Ofsted has publicised their intention to increase the coverage of inspection related to PE and sport.

Ofsted has also confirmed that it will carry out a percentage of subject visit inspections per year as a means of analysing the success of the national strategy.

The Department of Education routinely publishes statutory compliance targets for all schools. Such an example of this practice includes the requirement that schools must publish online evidence of how they have spent their Primary PE and Sports Premium funding as well as identifying the positive impact of the funding. This Government order is intended to enable the wider school community to monitor progress and compare achievements and results with other local schools.

An overview of how we have spent our Sport Premium Funding for 2019-2020 can be seen in the table below, this is followed by a more detailed analysis of the intended impact of the funding:

Amount of PE sports Grant Academic Year 2019 - 2020	£16910
How do we plan to spend this funding:	
Specialist P E teachers/coaches (includes CPD for teachers)	
Specialist Games Coaching (Atlas) – Multi-Skills (KS1)	£1628
Specialist Games Coaching (Atlas) – Netball	£1116
Specialist Games Coaching (Atlas) – Rugby	£1628
Specialist Games Coaching (Atlas) – Gymnastics	£1628
Specialist Games Coaching (Atlas) – Fizzy Programme	£940
Physical and Emotional wellbeing programme	£1000
After school sports provision	£2000
(Glos Cricket Board) – Cricket	£60
PE competition Release Time	
Class teacher release Time to attend competitions	£1000
PE Leader Release Time for observations and organisation	£500
Additional Resources to Support PE	
KS1 active equipment	£1750
Whole school playground equipment	£1000
ICT curriculum for PE provision	£1250
Sports Competition Affiliation/Entry Fees	£500
Sports Competition Travel	£600
Hosting cluster tournaments	£310
Total Planned Spend - Academic Year 2019-2020	£16910
Total Carried Over from Academic Year 2018-2019	£0
Amount of PE Funding Expected Academic Year 2019-2020	£16910

Birdlip Primary School

PE and Sport Premium Expenditure 2019/20

Number of pupils	
Total number of pupils on roll	106
Total amount of premium	£8450 Paid in 2 instalments Sept 2019-Mar 2020 and Apr 2020 – Aug 2020

Birdlip Primary School PE and Sport Priorities for 2019- 20

Conditions of grant: The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2019 to 2020 academic year, to encourage the development of healthy, active lifestyles

P1. Develop expertise of staff in teaching P.E. across key stages using CPD sessions from Atlas sports, develop the use of ICT and the P.E. curriculum with the use of high quality planning and teaching resources.

P2. To continue extending the breadth and range of activities pupils can engage in at unstructured/extra-curricular parts of the school day with a particular focus on daily physical.

P3. To give children more opportunities to develop wider engagement in competitive sports competition both inside and out of School with a focus on engaging girls and creating links with the wider community for extra-curricular opportunities for our students.

P4. To ensure that the mental health and physical wellbeing of all pupils along with the wider school community is improved.

Spending of PE and Sport premium (how it has been or will be spent in 2019-20)				
Item/Project	Cost	Objective/Priority	Intended impact (to be achieved by end of academic year). How is premium contributing to developing a healthy and active lifestyle?	How will improvements be sustained in the future?
Specialist PE teachers /coaches (includes CPD for teachers)		P1. Develop expertise of staff in teaching P.E. across key stages using CPD sessions from Atlas sports. Develop the use of ICT and assessment within the P.E. curriculum through the use of P.E. Pal. P2. To continue extending the breadth and range of activities pupils can engage in at unstructured/extra-curricular parts of the school day with a particular focus on daily physical. P3. To give children more opportunities to develop wider engagement in competitive sports	Children are given consistently outstanding and enjoyable P.E. Lessons undertaken by teaching staff in conjunction with Atlas Sports coaches	P.E. lessons at Birdlip Primary will draw upon the strong subject knowledge of staff that has been developed through the use of external coaches in order to provide high quality provision. This clearly had a big impact during last year's P.E. and will be sustained by the regular monitoring and feedback given to staff. The introduction of PE pal will ensure that lessons are planned in an in depth and effective manner and that the whole school has an assessment framework to work from which can be shared with pupils and parents alike.
Specialist Games Coaching (Atlas Sports) – Multi - Skills	£1628		Children are taught a wider range of sports with increasing knowledge and interest of that particular sport with a view to creating links with the community with regards to extra-curricular clubs.	
Specialist Games Coaching (Atlas Sports) - Netball	£1116		Children will become more aware of what a healthy lifestyle entails.	
Specialist Games Coaching (Atlas Sports) – Rugby	£1628		They will understand the importance and benefits of physical activity by doing physical activity on a daily basis.	
Specialist Games Coaching (Atlas Sports) – Gymnastics	£1628		Staff will now have greater subject knowledge in the area of P.E and have a bank of creative activities to use during P.E. sessions.	
Fizzy Programme	£940			

Physical and Emotional Wellbeing Programme	£1000	competition both inside and out of School with a focus on engaging girls and creating links with the wider community for extra-curricular opportunities for our students. P4. To ensure that the mental health and physical wellbeing of all pupils along with the wider school community is improved.	Pupils will be able to enjoy high quality sport and PE in school which continuously promotes healthy and active lifestyles. Pupils' emotional and physical wellbeing will be supported through a range of programmes that cross over into both the PSHE and P.E. curriculums as well as Science.	Staff will continue to grow in confidence when teaching a wider range of sports which will in turn lead to a wider provision of sporting activities and therefore a wider choice for pupils. After school clubs targeting girls in particular will be set up in conjunction with Atlas sports with a view to having the sports teams take part in competitive sports against other schools in the area – Roman road football, netball and girls football. Competitions that the school will take part in will cover a wider range of sports. Children in both KS1 and KS2 will have access to after school clubs covering a wide variety of sports and active activities encouraging children to take part in an active lifestyle both inside and outside of school – the daily mile will ensure all children are
Specialist Games Coaching (Glos Cricket Board) - Cricket	£60			
After school sports provision	£2000			

				able to stay active on a daily basis. Regular monitoring and feedback sessions, will allow all staff to reflect on their sessions. In turn helping them shape and develop future sessions enabling CPD to continue.
PE Leader Release Time		P2. To continue extending the breadth and range of activities pupils can engage in at unstructured/extra-curricular parts of the school day with a particular focus on daily physical. P3. To give children more opportunities to develop wider engagement in competitive sports competition both inside and out of School with a focus on engaging girls and creating links with the wider community for extra-	Competitions – the school intends entering a wider range of sports than last year. These will be: • Football for KS1 &2 • Tag Rugby KS2 • Netball KS2 • Swimming Gala KS2 • Hockey KS2 • Athletics KS1 & 2 • Cross Country KS1 & 2 • Dodgeball KS1 &2 • Dance Yr 5/6 We plan to create further inter-school tournaments based on the success of the Roman Road Rugby tournament hosted last year. These	Promotion of healthy competition. On-going tracking and assessment to ensure that high quality provision is continually put in place and that where it is not the areas for improvement are identified and addressed. Links made with local clubs to help students maintain physical activity outside of school. Meetings with Sports ambassadors of the school with the P.E. coordinator.
Class teacher release Time to attend competitions	£1000			
PE Leader Release Time for observations and organisation	£500			

		curricular opportunities for our students.	experiences encourage pupils to join out of school sports teams/clubs. Monitoring of records to evidence continuous improvements in the quality of teaching in PE across the school and across a range of sports. Pupils will be able to enjoy high quality sport and PE in school which continuously promotes healthy and active lifestyles. This means they are more likely to continue to embrace an active and healthy lifestyle.	Meetings with PE governor.
Additional Resources to Support PE		P1. Develop expertise of staff in teaching P.E. across key stages using CPD sessions from Atlas sports. Develop the use of ICT and assessment within the P.E. curriculum through the use of P.E. Pal. P2. To continue extending the breadth and range of activities pupils can engage in at unstructured/extra-curricular parts of the school day with a particular focus on daily physical.	Pupils in KS1 will benefit from a multi-sensory play space that will promote a range of active and imaginative play in order to enhance pupils' emotional and physical wellbeing.	Equipment will be maintained to a high standard and added to / adapted as and when required in order to continually meet the evolving needs of pupils.
KS1 playground active equipment	£1750			
Whole school playground/field equipment	£1000		To supplement the improvements to the playground over the last year, some new play equipment is required to help ensure children stay active throughout playtime Lines on the field for the active mile will need to be created and maintained	Continuous physical activity to aide our students to be fitter, healthier and more ready to learn.
Sports Competition Affiliation/Entry Fees	£500		Children will have more opportunities to take part in sporting activity, with a greater range of sports being offered. New competitions offered this year	Funding will be set aside to ensure pupils are able to enter a range of competitions in different year groups.

		P3. To give children more opportunities to develop wider engagement in competitive sports competition both inside and out of School with a focus on engaging girls and creating links with the wider community for extra-curricular opportunities for our students.	include: Dance and Netball in addition to the sports offered from previous years.	
Sports Competition Travel	£600		Children will have more opportunities to take part in sporting activity.	Funding will be set aside to ensure pupils are able to enter a range of competitions in different year groups.
ICT equipment for PE provision	£1250		ICT PE Pal app and tablet (x2) to improve the quality of teaching and learning through higher quality resources for the planning and delivery of P.E. sessions. The PE Pal app also provides for high quality tracking of pupil progress.	App & tablets to be purchased to ensure high quality planning and delivery of sessions across all sports.
Hosting Cluster tournaments	£310	P3. To give children more opportunities to develop wider engagement in competitive sports competition both inside and out of School with a focus on engaging girls and creating links with the wider community for extra-curricular opportunities for our students.	Birdlip to become a “hub” of sporting activity by arranging a wide variety of competitive sports between the cluster schools. Equipment needs to be purchased such as bibs, cones, permanent football goals and lines painted to ensure tournaments are run to a high standard for all involved.	Children to compete with local schools to see the value of competition & teamwork.
