This week saw the return to school of many of our EYFS and Year 1 pupils in what we hope will be the start of the return to some form of normality in September. The transition back for those pupils has been successful and whilst the school may look and feel different in the day to day running I've been proud of the way pupils and staff alike have risen to the challenge.

Looking further ahead as a school we have begun planning for September to ensure that if at all possible we are able to bring all pupils back to school. Much will hinge on government guidance and the situation in September of course and so we are planning for a range of scenarios ranging from the maximum of 15 per class rule staying in place through to no restrictions at all. In the coming weeks we will start to share with you our thoughts and ideas and so please do feedback on any proposals we put forward.

In the meantime take care of yourselves and stay in touch.

Mr M.

Hot Weather Forecast

With the hot weather predicted to return next week, **please ensure that all children bring a hat and water bottle**, and arrive in school with **sun tan lotion already applied**.

CAMHS

CAMHS stands for Child and Adolescent Mental Health Services. CAMHS are the NHS services that assesses and treat young people with emotional, behavioural or mental health difficulties.

For parents concerned about their child's mental health, you can call the CAMHS helpline on 01452 894 300.

A Parent helpline is also being run by the Family Information Service on 0800 5420202.
