

Online Safety

Net Aware

The NSPCC's online Net Aware service provides expert reviews and safety advice on all of the most popular social networks, apps and games young people are using - www.net-aware.org.uk

ThinkUKnow

ThinkUKnow is a UK organisation which aims to protect children both online and offline. [Click here](#) to explore the website for advice about staying safe when you're on a phone, tablet or computer. [Online safety at home packs](#) have been developed by ThinkUKnow. These provide simple 15 minute activities you can do with your child to support their online safety.

ThinkUKnow have also created helpful videos on various issues and can be accessed by [clicking here](#) and include:

- **Live streaming: A video guide for parents and carers** - Helping parents and carers to understand why children and young people enjoy live streaming platforms and what they can do to help keep them safe whilst using them.
- **Gaming – a video guide for parents and carers** – helping parents to understand how in-game chat works; how it might be abused by others; and what they can do to help keep their children safe whilst using in-game chat.

Parent Info

Parent Info provide advice and support for families using digital technology – www.parentinfo.org They have also created short guides/videos on various topic areas:

- [Tik Tok: a guide for parents](#) – explore how Tik Tok works, the parental controls available, and how they can help their child to stay safer on the platform.
- [Video chatting: a guide for parents and carers of primary school-age children](#)
- [What questions parents and carers should be asking about screen time](#)
- [6 fun online activities to boost your child's digital resilience](#)
